BidGenius AI

A first price. You can explain.

From a 202-page tender to a reviewable estimate.

202 pages. One pricing decision.

202

pages in the Oberglatt ventilation tender

01 **Find the scope**

What is included, missing or unclear?

02 **Price the work**

Connect quantities, products and labour.

03 **Explain the gaps**

Show which decisions still need a person.

This tender excludes price negotiations. The first estimate matters.

Read. Match. Calculate. Review.

Prepared demo snapshot · included scope · estimator review required

PROJECT INTELLIGENCE

Every number. Backed by evidence.

Your first estimate, with the context to make it yours.

Adjust assumptions → Project assumptions

INDICATIVE INCLUDED-SCOPE PRICE · 16.5% of positions priced

DRAFT ESTIMATE

CHF 1'661'000

Included scope only · 12 supplier references (CHF 812'309.98 direct) await quotes

CHF 1'568'824 cost baseline CHF · before VAT

112 priced · 25 covered elsewhere · 542 unpriced
